

Little Falls Stream Valley Trail

Length: 3.5 miles of hard surface trails

Updated: Sep. 02

Trail Features

The 3.5-mile Little Falls hiker-biker paved trail is largely shaded and offers unobstructed views of Little Falls. The trail parallels the Capital Crescent Trail (CCT) starting at Mile 6 of the CCT and for about a mile shares the same right of way. The trail passes the former site of the Milton/Loughborough Mill, built in the early 1800s and used to grind flour for the Georgetown wheat trade.
